MEMORANDUM FOR: Associate Deputy Director for Intelligence

SUBJECT : Request to Attend Annual Conference of  
Association for Asian Studies and Agency Seminar

1. The Association for Asian Studies will hold its annual conference this year from 24-26 March in San Francisco. CIA is planning to sponsor an academic seminar on China and Asia to be held in conjunction with this conference. I request permission to attend this conference and take part in this seminar.

2. It is understood that, both at the Conference and in the off-the-record seminar discussions, I will not discuss classified information nor will I touch on any aspect of U.S. policy. As in earlier professional association activities and publications, I will be identified at this conference as an employee of CIA.

3. Although I have been a member in the past, I am not currently a member of the Association for Asian Studies. The last year I attended the conference at Agency expense was 1970.
